

Harvard LPPC ATLAS Postdoctoral Position

Deadline on August 31, 2020

Job description:

The Laboratory for Particle Physics and Cosmology at Harvard University invites applications for a Post-Doctoral Fellowship to be associated with the ATLAS experiment. Applicants for this position should have a Ph.D. in experimental particle physics. Experience with state-of-the-art detector systems and with the analysis software of a particle physics experiment are both required. For any questions regarding this opening, please contact Felice Gardner (felice_gardner@fas.harvard.edu).

Applicants should send a curriculum vitae, a list of publications, and a statement of research interest, and arrange for three (3) letters of reference to be sent electronically to Felice Gardner (felice_gardner@fas.harvard.edu), or by mail to:

Felice Gardner
Physics Department
Harvard University
17 Oxford Street
Cambridge, MA 02138
USA

Harvard is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law.
