The Pittsburgh Particle physics, Astrophysics and Cosmology Center (PITT PACC, <http://www.pittpacc.pitt.edu/>) at the University of Pittsburgh invites applications for the Samuel P. Langley PITT PACC Senior Postdoctoral Research Fellow in theoretical and experimental particle physics starting in the fall of 2021. The appointment is initially for two years with the possibility of extension for a third year. Competitive salary and research funds will be provided. Members of PITT PACC conduct theoretical, experimental, and observational research in the broad areas of particle physics, astrophysics and cosmology. In addition to actively performing scholarly research, the fellow will help coordinate PITT PACC academic activities, e.g., hosting visitors and organizing seminars, workshops, and conferences. The successful candidate must have a PhD degree and strong research credentials. Interested candidates should submit a cover letter, CV, research statement, and arrange for at least three letters of recommendation to be submitted at AcademicJobsOnline by May 28, 2021. Applications will be reviewed until the position is filled.

The University of Pittsburgh, PITT PACC, and the Department of Physics and Astronomy are all strongly committed to fostering equity, inclusion, and diversity at all levels. The University of Pittsburgh is an Affirmative Action/Equal Opportunity Employer and values equality of opportunity, human dignity and diversity. Members of groups that are under-represented in academia are especially encouraged to apply. EEO/AA/M/F/Vets/Disabled.
