

Physics Pumpkin Carving Stencil

ATLAS Experiment Logo

Directions:

1. Print this template, adjusting size of print-out to match the size of your pumpkin.
2. Tape paper to the pumpkin, and trace the shape using either pins, a paper cutter or an exacto blade.
3. Remove paper and make final additions to the trace.
4. Fully carve out the black parts of the design, and partially carve (removing only the outer layer) the grey parts.

ATLAS

ATLAS is a collaboration of physicists, engineers, technicians, students and support staff from around the world. It is one of the largest collaborative efforts ever attempted in science, with over 5500 members!
